

A map of the African continent with a grid of latitude and longitude lines. The study area, located in West Africa (specifically in Nigeria), is highlighted in red. The map shows the coastline and major internal borders of the continent. The red area is situated between approximately 6°N and 12°N latitude and 4°E and 8°E longitude.

A map of the study area in the Páramo region of the Andes. The map shows the outline of the region with a grid of latitude and longitude lines. The latitude lines are marked at 0°, 4°, and 8° S. The longitude lines are marked at 58°, 54°, 50°, and 46° W. The region is labeled 'P Á R Á' in the center. Several towns are marked: 'AM' (Amarapura) to the west, 'AP' (Apujaya) to the north, 'MA' (Machaca) to the east, 'MT' (Mitu) to the south, and 'TO' (Tumbuc) to the southeast. A red shaded area indicates the study site, located between AM and AP, and between 4° and 8° S latitude.
