

A map of the western tropical Atlantic Ocean showing the study area in red. The map includes latitude lines from 0° to 30°S and longitude lines from 72°W to 36°W. The red area is located in the central-western part of the study region, roughly between 4°S and 10°S and 58°W and 48°W.

The map illustrates the urban layout of Curitiba, with the 'Linha Verde' bus route highlighted in red. The route starts in the southern part of the city, near the intersection of Avenida Berrando Bulhões and Avenida de São João, and extends northwards through the city center, passing by Avenida Barboza and Avenida Alvaro de Azevedo. The map also shows various other streets and the city's topography, including a river in the south. A compass rose in the upper right corner indicates the orientation, with 'Norte' (North) pointing towards the top right.
